

Notification of Accessibility of the Service Line Materials Inventory

The City of Bird Island has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact us at 320-365-3371. To complete the service line inventory our public works department has reviewed records on hand and completed visual inspections. As of 10/30/2024, our inventory contains 6 lead, 7 galvanized requiring replacement, 166 unknown material, and 486 non-lead service lines.
